1. Using a Web Browser
2. Go to your NSU Library’s homepage – http://www.nova.edu/hpdlibrary/index.html
3. Choose to browse for Databases – { Select “R” – for Rosetta Stone }
1. **Find and select Rosetta Stone**

   - Full-text books in all areas of religion and theology.

5. **Religion and Philosophy Database** - Gale Cengage Learning
   - Provides indexing and abstracts to 250 journals on religion and philosophy. Includes selected full text.

6. **Rittenhouse R2 Digital Library** - Rittenhouse
   - Collection of online electronic books.

7. **Rosetta Stone** - EBSCOhost
   - LEVEL ONE available. Rosetta Stone is a computer-assisted language learning system. Speakers required for use.
   - Microphone highly recommended. Flash enabled browser also needed.
1. Login using your NSU SharkID and password
1. Create a Rosetta Stone account
2. For Username use your NSU email – ex: username@nova.edu
3. Create any password of your choice
1. If you are on a Laptop or Desktop Computer - you may now “Launch Rosetta Stone…”
   { Uses the latest Adobe Flash plugin }

   OR

2. If you are on a Mobile Device or Tablet
3. Do not Select “Launch Rosetta Stone”
4. Select the “Sign out” button
Using the Rosetta Stone App on a Mobile Device or Tablet

1. Download and install the “Learn Languages : Rosetta Stone” App on your Tablet

Languages that will work in the App:
Spanish (Spain & Latin Amer.) | English (American) | French | Japanese | German
Italian | Chinese | Portuguese | Russian

Note: Once a language is set in the Web Browser account the Mobile App will only use that language. If you would like to change the language in the Mobile App you will need to go back and log in from the Web Browser and change the language at the time of log in.
1 Open the **Languages** App – then choose “Enterprise and Education Learners”
1. Enter the same Username and Password that you used previously when you created a Rosetta Stone account.

2. Enter the Institutional ID# in the lower box = s1134655

3. Then select the “Sign In” button – this should launch and load the lessons.

Note: Once a language is set in the Web Browser account the Mobile App will only use that language.

If you would like to change the language in the Mobile App you will need to go back and log in from the Web Browser and change the language at the time of log in.
